I interviewed my mum and her friend Jo to get their views on the shopping centre.

Do you like the shopping centre?

Yes I do because it has a nice variety of shops and over the years it has grown in size with different retailers coming in and some even expanding their shops, eg: Marks and Spencer.

I also like the open air market which has a diverse mix of cultural outlets.

Yes I like it but I don't love it because it's a bit crowded sometimes.

If you were asked to add one more shop, what would it be?

It would be Primark. I know it's another girly shopping experience but I would love Primark.

Primark because I get bits and pieces from there.

Do you like the shops all being under one roof?

I like it because it makes it all a lot more accessible. You can go in and do a lot of shopping or just go in one shop and leave.

I like it because it's convenient and you don't have to drive around.
